Thank You, Penny!

After years of helping Kids Club members learn about saving, Penny the Monkey is retiring!

Penny has inspired so many young savers, and now it's time for her next adventure. We wish her lots of fun and bananas wherever she goes!

Meet Cash!

Hi, friends! My name is Cash, and I'm the new Advanz Kids Club mascot!

I'm a German Shepherd, which means I'm loyal, brave, and always ready to lend a paw. I'm also a special nod to Advanz's history of serving local police officers and their families.

These days, my mission is all about **you**: helping you save, celebrating your progress, and cheering you on as you learn smart money habits.

Let's start our savings adventure!

Celebrate with
