Q2 | SPRING 2021

SPRING IS HERE –
*Watch Your
Savings Grow*

Are you ready for blooming flowers and spring showers, Cadet Saver? As temperatures warm up and plants start to sprout, it always reminds me why Spring is one of my favorite times of year – because I love watching things grow. And you know what else is fun to watch grow? Your savings! Seeing your money grow can be fun and rewarding. Imagine your savings as a seed and your money as water – if you plant the seed and take good care of it by giving it the water and care that it needs, it will continue to grow and be healthy for many years to come! **Plant your seed today and start watching your savings grow!**
