Q4 | FALL 2024

Hello, Cadet Saver! It's Penny the Monkey here, ready to go bananas about fall savings! Can you hear the crunch of the leaves and smell the yummy pumpkin treats? That means it's fall, and I've got a brand-new savings adventure just for you! We're going on a special scavenger hunt to find the best treasures around.

Penny's Fall Treasure Hunt

1. **Build Your Adventure Backpack** – First things first, you'll need a place to store your treasures (coins!). Grab a small box, jar, or even an envelope, and decorate it with your favorite fall stickers or drawings. Make it your "Adventure Backpack" for all the shiny coins you find along the way!
2. **Go on a Nature Coin Hunt** – Here's where the real fun begins! Take a walk with your family and see what treasures you can find. Every time you spot a red, orange, or yellow leaf, collect a coin for your Adventure Backpack and add it to your savings. **It's like hunting for buried treasure in your own backyard!**
3. **Fall Festival Bonus** – Fall means fun festivals and trips to the pumpkin patch! Every time you do something super fun this fall—like picking apples, carving a pumpkin, or even sipping on hot cocoa—add another coin to your Adventure Backpack. The more fun you have, the more coins you'll save!
4. **Count Your Treasure** – At the end of fall, open your Adventure Backpack and see how much treasure you've collected! You might be surprised by how much your savings have grown while you've been out having fun.
5. **Take Your Treasure to Advanz** – Bring your treasure to Advanz Credit Union and we'll help you add it to your Cadet Savers account. It's like turning your fall treasures into something that will keep growing and growing!

Remember, every adventure you go on this fall is another chance to save! So get out there, have fun, and let's make this the best fall ever by collecting all the coins and treasures we can find!

Keep swinging into savings, adventurers!

Autumn Giving: Let's Share the Love with the Center for Women and Families!

Did you know that there are families in our community who could use a little extra warmth and care this fall? We can work together to make a big difference and bring smiles to those in need!

This season, we're hoping you might consider giving to the Center for Women and Families. Many of the families they serve are starting over after tough situations, and they need basic items to get back on their feet. Let's help them feel cared for and supported!

Most Needed Items:

- Shampoo & Conditioner
- Hair Styling Products (Curling Cream, Gel, Curl Activator)
- Baby Items (Diapers, Baby Monitors, Umbrella Strollers)
- Backpacks & School Supplies
- Laundry Detergent Pods
- Pajamas, Socks, Sweatpants, and Yoga Pants
- Food Items (Pasta, Peanut Butter, Canned Goods)
- Pillows, Towels, Blankets, & Sheets
- Deodorant, Tampons, Razors, & Shaving Cream

Monetary donations or gift cards to places like Target, Walmart, and Kroger also make a big impact, helping the Center buy exactly what's needed. You can find their full wishlist and other ways to help at www.thecenteronline.org.

Every little bit counts, and together we can make this season magical for families who need it most!
