Q2 | SUMMER 2023

Sun, Fun, & Saving Money!

As the temperature rises and the days get longer, the excitement of summer is just around the corner. This season is a perfect reminder to get excited about saving money too!

To start, set a summer savings goal. Maybe you want to save up for a new bike or a trip to get ice cream with your friends. Write down your goal and how much you need to save. Then, start small and make a plan to save a little bit each week.

An easy way to start is by setting up a piggy bank or jar in your room. Each day, add a few coins to your savings. Watching your savings grow is exciting and motivating, especially when you can see how much closer you are to reaching your goal. Remember, you can also bring your savings into Advanz to help grow your Cadet Saver account!

Saving money may not always be the most exciting thing to do, but with a little bit of willpower and patience, you'll be able to reach all of your summer savings goals. So start saving today and get ready for a summer filled with fun!

Celebrate National Credit Union Youth Month this April!

Congratulations to our 2023 Youth Month Coloring Contest Winners:

6-9 Age Group - I Williams

10-12 Age Group - T Fountain

Both winners were contacted and awarded with a \$100 deposit into their Cadet Savers account. Stay tuned for next year's coloring contest, and happy saving in April and all year long!
