Q3 | SUMMER 2022

Hi, Cadet Saver! Summer is here and you know what that means...fun in the sun! That's right, school is out and I'm ready to enjoy all that extra time outside with my friends. I'm not only ready to dive into the pool, I'm ready to dive into saving money, too! My favorite way to end a long day of swimming is to get a sweet treat at the nearby ice cream shop. And because I save money ahead of time all year long, I always have enough to buy my favorite - a big banana split! But sometimes if I want to have extra money left over to buy other fun things, I'll just get a dish of banana ice cream. Even though summer is all about fun, I make sure I keep saving during the break so that I can still have money to spend when I head back to school. Good luck saving and have lots of fun this summer, Cadet Saver!
