Q2 | SPRING 2026

Hi, Cadet Savers! Penny Here!

Spring is the perfect time to grow smart money habits! Complete these challenges and see how fast your savings can grow.

Penny's Spring Savings Challenge

- Save spare change at least 5 times
- Skip one treat and save instead
- Earn money by helping at home
- Make at least one deposit into your savings
- Set a spring or summer savings goal

Every small step helps your money grow!

Grow Your Money This Spring!

Just like flowers, your money grows when you take care of it.

- **Seed** = the money you save
- **Water** = adding more money
- **Sunshine** = giving it time
- **Growth** = watching your savings grow bigger!

What are you saving for this spring or summer? Write it down and keep going!

It's that time of year...we're calling all young artists to showcase their talents in our annual coloring contest. So, grab your favorite art tools – be it markers, crayons, or colored pencils – and let your imagination run wild. We're eager to see your artistic masterpiece!

Contestants will be grouped by age:

- 0-5 years
- 6-9 years
- 10-12 years

And here's the best part:
A WINNER FROM EACH CATEGORY WILL BE AWARDED \$100!

Mark your calendars – the submission deadline is May 1, 2026. Don't miss out on this fantastic opportunity to let your creativity shine. **Find all the necessary details and the coloring sheet by visiting AdvanzCU.org/YouthMonth.**
